

# Akashic Record Level 1 Class

The Akashic Records is the past, present and future knowledge of all things. It is the recording of the Soul's journey since inception, as well as the possibilities of its unfoldment in the future.

This 2 day workshop focuses on giving you a key to consciously access the Akashic Records of your own soul through a sacred prayer.

This is a practical tool through which you can:

- Deepen your connection with Soul, Divine Source and Creativity.
- Experience and develop your perception and interaction with higher energies while expanding your multi-sensory perception.
- Release belief systems & patterns which block & no longer serve. Move more fully into alignment with your higher self.
- Gain insight and learning about external areas of interest whatever they might be.
